Light blue italics font denotes year-to-date (not final) data.

The placement rate tracks a cohort of graduates through September 15 of the following year and uses the latest employment status entry for each student. The rate is calculated as follows: Numerator: Employed in Field + Military+ Employed in Related Field + Employed in Unrelated Field + Employed in Field & Continuing Education + Employed in Related Field & Continuing Education + Employed in Unrelated Field & Continuing Education + Continuing Education. Denominator: Numerator + Not Employed.
